

OUR CHRISTMAS CABIN
ON THE LAKE
IN ST JAMES'S PARK

PEYTON
EVENTS

This festive season we invite you to join us at our enchanting Christmas Cabin overlooking the lake in the heart of St James' Park.

Inspired by Henry VIII's hunting lodge and deer park which once stood on this site in the 16th Century, Inn the Park will be transformed for the month of December into a cosy Christmas Cabin.

Enjoy a warming mulled wine or Somerset Cider on our outdoor terrace as you arrive, which will be dressed with lanterns, furs and blankets. Before being served a delicious feasting menu or a delicate canapé and bowl food menu designed to match the theme. This is all to be enjoyed in our Christmas Cabin decorated with lots of candles, greenery and a beautiful Christmas tree whilst you party the night away.
